STIPULATION

The parties hereby stipulate to the following matters:

1. Vanessa Muniz ("petitioner"), filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 to 34 (the "Vaccine Program"), on behalf of her minor child, M.M. The petition seeks compensation for an injury allegedly related to M.M.'s receipt of measles/mumps/rubella ("MMR"), hepatitis B, haemophilus influenza b ("Hib"), pneumococcal conjugate, and varicella vaccines, which are contained in the Vaccine Injury Table (the "Table"), 42 C.F.R. § 100.3(a).
2. M.M. received the MMR, hepatitis B, Hib, pneumococcal conjugate, and varicella vaccines on February 10, 2016.
3. The vaccines were administered in the United States.
4. Petitioner alleges that M.M. suffered from febrile seizures which were caused-in-fact by the MMR, hepatitis B, Hib, pneumococcal conjugate, and varicella vaccines. Petitioner further alleges that M.M. experienced the residual effects of this injury for more than six months.

5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of M.M.'s alleged condition.

6. Respondent denies that the MMR, hepatitis B, Hib, pneumococcal conjugate, and/or varicella vaccines caused M.M.'s alleged febrile seizures, or any other injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. An amount sufficient to purchase the annuity contract described in paragraph 10 below, paid to the life insurance company from which the annuity will be purchased (the "Life Insurance Company").

- d. Fitch Credit Rating Company, Insurance Company Claims Paying Ability Rating:

10. The Secretary of Health and Human Services agrees to purchase an annuity contract from the Life Insurance Company for the benefit of M.M., pursuant to which the Life Insurance Company will agree to make payments periodically to M.M. for damages that would be available under 42 U.S.C. §300aa-15(a), as follows:

- a. A lump sum of \$8,584.71 on November 15, 2035;
- b. A lump sum of \$11,068.35 on November 15, 2044; and
- c. A lump sum of \$14,672.02 on November 15, 2054.

The payments provided for in this paragraph 10 shall be made as set forth above. Should M.M. predecease any of the certain payments set forth above, any remaining certain payments shall be made to her estate. Written notice to the Secretary of Health and Human Services and to the Life Insurance Company shall be provided within twenty (20) days of M.M.'s death.

11. The annuity contract will be owned solely and exclusively by the Secretary of Health and Human Services and will be purchased as soon as practicable following the entry of a judgment in conformity with this Stipulation. The parties stipulate and agree that the Secretary of Health and Human Services and the United States of America are not responsible for the payment of any sums other than the amounts set forth in paragraph 8 herein and the amounts awarded pursuant to paragraph 12 herein, and that they do not guarantee or insure any of the future annuity payments. Upon the purchase of the annuity contract, the Secretary of Health and Human Services and the United States of American are released from any and all obligations with respect to future annuity payments.

12. As soon as practicable after the entry of judgment on entitlement in this case, and

after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1) and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

13. Petitioner and petitioner's attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

14. Payment made pursuant to paragraph 8 of this Stipulation, and any amount awarded pursuant to paragraph 12, will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

15. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs and past unreimbursed expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of M.M. as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

16. In return for the payments described in paragraphs 8 and 12, petitioner, in petitioner's individual capacity and as legal representative of M.M., on petitioner's own behalf, and on behalf of M.M., and M.M.'s heirs, executors, administrators, successors, or assigns, does forever irrevocably and unconditionally release, acquit and discharge the United States and the Secretary of Health and Human Services from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever

kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to or death of M.M. resulting from, or alleged to have resulted from the MMR, hepatitis B, Hib, pneumococcal conjugate, and/or varicella vaccines administered on February 10, 2016, as alleged in a Petition filed on July 11, 2018, in the United States Court of Federal Claims as petition No. 18-994V.

17. If M.M. should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

18. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the United States Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

19. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 12 above. There is absolutely no agreement on the part of the parties hereto to make any payment or do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the items of compensation sought, is not grounds to modify or revise this agreement.

20. Petitioner hereby authorizes respondent to disclose documents filed by petitioner in this case consistent with the Privacy Act and the routine uses described in the National Vaccine

Injury Compensation Program System of Records, No. 09-15-0056.

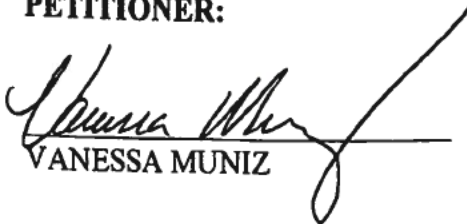

21. This Stipulation shall not be construed as an admission by the United States or the Secretary of Health and Human Services that the MMR, hepatitis B, Hib, pneumococcal conjugate, and/or varicella vaccines caused M.M.'s alleged febrile seizures, or any other injury.

22. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, executors, administrators, successors, and/or assigns as legal representative of M.M.

END OF STIPULATION

Respectfully submitted,
